"Once Carrey gets plugged in, there's no stopping him - he's brilliant!"
-Sara Edwards, NBC NEWS CHANNEL

Jim Carrey is Chip Douglas, cable installer. Raised on television sitcoms, he wants life to look just like *My Three Sons*. And when he meets single guy Steven Kovacs (Matthew Broderick), he sees his chance for some serious male bonding. But Chip's idea of friendship - which includes physical assault, a game of 'Porno Password' and a medieval joust - may be hazardous to Steven's health. In Chip's own immortal words, "I can be your best friend... or your worst enemy."

Directed by Ben Stiller (*Reality Bites*), *THE CABLE GUY* is "the perfect comedy for the TV generation. Jim Carrey's comic genius is frightening." (George Pennacchio, CBS-TV San Diego.)
